Friendly Reminders:

To keep costs low please keep these things in mind

- ALL cardboard must be separate from paper. Breakdown ALL cardboard and place under bins. Some customers prefer to use a large corrugated box to put all of their **small cardboard, boxboard, and paperboard** in.
- Please put bins out the night before your scheduled pick-up or have them out by **7:00 AM, if a pick-up is missed and you would like us to pick up your recycling there will be an additional charge.**
- Please keep bins stored indoors until pickup day to preserve the lids.
- Please put lids on the bins for pick-up.
- Materials that cannot be **recycled** will be left in the bins.
