Important Reminders

To keep costs low, please keep these things in mind.

- **Bins must be out by 6:30am to ensure your recycling is picked up.** Our routes are constantly changing as we add new stops. We can guarantee your pick-up day, but not the timing. Rescheduling a missed pick-up will result in additional charges.
- All cardboard must be **separate** from paper. Please flatten ALL cardboard and place under bins. Some customers prefer to use a large corrugated box to put all of their small cardboard, boxboard, and paperboard in.
- Please put lids on bins to keep rain out or wind from blowing materials away
- We love animals but for their safety and ours, please keep them inside or away from the pick-up area.
- Materials that cannot be **recycled** will be left in the bins.
